Dear Parents,

We are asking for your support and assistance this year in supplying some of the items needed for your child and your child's classroom. We are dividing the list into two sections. The first are the items that your child will need. For these, we are asking you to purchase the items on the list and send them in with your child in a zipper pouch so they can carry them as they travel from classroom to classroom. The second set is items that will be for community use within the classroom. For the classroom community items, your child's teacher will collect these materials and use the supplies throughout the school year.

If this causes a financial strain on you, we ask that you focus upon the materials needed for your own child first and provide the classroom community items only as possible.

Thank you!
