By signing this document I am indicating that I have read and understand the regulations set forth for utilization of the track facility at Hershey High School. The provisions set forth are for the purpose of maintaining a track and adjoining synthetic turf that are safe and free from damage, while providing the community residents the opportunity to utilize an excellent track facility.

1. A \$20 deposit is required from a township resident in order to obtain an access card. This deposit will be refunded upon the resident returning their access ID card. Access ID cards are obtained by signing this document at the Derry Township School District Maintenance Office.
2. The all-weather track facility will be open from dawn to dusk, 7 days per week, to district residents who have approved access. Access is for the track only. Please do not utilize the synthetic turf playing surface.
3. Residents who have obtained an access ID card are not permitted to share their access card with others.
4. If a school district event is being held on the synthetic turf field inside the track, track utilization is prohibited.
5. Items that may cause damage to the synthetic turf field or track surface are not permitted inside the track perimeter fencing. The items include, but are not limited to:
