JOC Representative: Tyler Kauffman

Non Members: Dr. Andria Saia, Superintendent of Record, CAIU; Dr. Peggy Grimm, Frank Flamini, David Wright, Dwain Messersmith, Gwen Mosteller, Andrea Wallach, Maria Zaharick, Jan Zeager, Priscilla Rodriguez, Andrea Bennett, Dr. Barbara Maroney and Denise Green-Administrative Staff; Olivia Baker and Jaquan Brown-DCTS Students; and Joanne Custer, Jeff Williams, Tyler Wonders, Ralph Miller and Linda Hammaker-DCTS Staff.

**JOC REPRESENTATIVES REPORT**

Mr. Kauffman provided information on Josten’s visit concerning caps and gowns and class rings; 8th grade tours, visit from Author Jason
Reynolds; Building Construction Cares trip to Lake City, South Carolina; first annual SkillsUSA Day; Middle School Xpo; and recognized Mrs. Ribbans for organizing freshman exploratory rotation.

**COOPERATIVE EDUCATION STUDENT REPORT**

Mrs. Custer introduced two co-op students, Olivia Baker and Jaquan Brow, from Electrical Construction and Maintenance. Olivia is a Central Dauphin School District student and employed by SECCO Electric and she has worked there the past two summers. She has gained a lot of experience in commercial wiring. Jaquan is a Central Dauphin School District student and is employed by Fullerton Electric. Both have been assured they will have a full-time job when they graduate.

**DIRECTOR’S REPORT**

Dr. Grimm has begun her student presentations at the consortium school board meetings. She and a student attended Lower Dauphin’s School Board meeting on Monday, October 15. She and a student presenter will attend the December 18 Middletown School Board meeting. She is in the process of scheduling the five remaining districts.

The DCTS Middle School Xpo is November 7. Dr. Grimm invited the board members to attend the Xpo. This gives students and parents an opportunity to learn about our school and meet teachers. The families are able to bring all members of their family. The cafeteria serves the favorite lunch of DCTS students to those that attend.

The eighth grade tours are occurring tomorrow and Friday. Sharon Deiling and Christine Noll are in charge of scheduling the students that are coming from the seven consortium districts. The student ambassadors will be assisting with the tours.

Dr. Grimm provided information on the Building Construction Cares Trip to Lake City, South Carolina. There were five adults and fourteen students who went on the trip. They will give a presentation at a later board meeting.

**LOCAL ADVISORY EXECUTIVE COMMITTEE**

Dr. Saia reported the Local Advisory Executive Committee met tonight. They went over goals and priorities and reviewed current programs for relevance, work force needs, and high priority jobs. DCTS needs to
continue to building relationships with Hershey and the medical community. They also discussed the welding program and it being a satellite program.

**AUDITORIUM SPEAKERS AND STAGE CURTAINS**

Mr. Williams, Assistant Director for the Theatre, presented information on the auditorium speakers and stage curtains. The theatre program is growing and the speakers and curtains are from the 1970’s. He obtained four quotes for the speakers and spoke with 3 different vendors concerning the auditorium curtains and rigging system. He provided quotes for the speakers and preliminary estimates for the curtains and rigging system.

**CAFETERIA STAFFING**

Mrs. Green would like to bring back one cafeteria staff employee. There are two positions that were not filled over the past few years. The cafeteria has enough funds to cover the position.

**2017-2018 FINANCIAL STATEMENT SUMMARY**

Ms. Zaharick reported the audit is completed. The auditors will present the information at the November meeting.

Ms. Zaharick reviewed the financial statement summary; general fund-assets and liabilities summary; general fund-revenues and expenditures summary; reserves summary; capital reserve fund budget; adult and continuing education budget; and cafeteria budget. There is a surplus of approximately 1.3 million dollars. Approximately 60% of the surplus will be refunded to the consortium districts after the audit is finalized in November.

DCTS has received the permit for the modular. The chiller rebuild will take place at a later date. The money for the rebuild has been placed in the capital reserve fund. The discussion of the budget for next year will begin in December.

**EQUIPMENT GRANTS**

Ms. Zaharick and Dr. Grimm spoke about the competitive equipment grant and purchasing a tire changer and brake lathe for Automotive Technology and a Bobcat toolcat for Building Construction Technology. This is a 50% matching grant.
The supplemental equipment grant is not a matching grant. An aluminum dent repair station and pro spot pulse welder for Collision and Refinishing Technology; circuit board printer for Electronics Technology; and duct control masonry saw and industrial wet saw for Masonry would be requested through the supplemental equipment grant.

There was discussion on the Bobcat and Ms. Zaharick reported it is necessary due to OSHA regulations.

**CHAIRMAN’S REPORT**

Mr. Harker welcomed Mr. Flamini to DCTS.

**ADJOURNMENT**

Being no further business, discussion for the Work Session of the Joint Operating Committee concluded at 8:48 p.m.
Exciting Changes!!

By Dr. Grimm, Administrative Director

Each year I begin to write this message and as always cannot believe that it is nearing the end of October! Our 9th graders have completed their exploratory rotation and will be entering into their academies and programs at the end of the first marking period. We just hosted the 8th grade tours two weeks ago and are preparing for our DCTS Middle School Xpo on November 7, from 5:30 – 8:00 PM. The Xpo provides an opportunity for families of middle school students to visit and tour our state of the art facility and meet our teachers. Included at the Xpo is one of our favorite school lunches which will be served in the cafeteria. If you are the parent(s) or guardian(s) of a Dauphin County middle school student please join us for an incredible evening…..bring the family!

For nearly three years, the administration and Planning for the Future Committee has been researching and collecting data on welding. Welders have a multitude of career choices (inspection, robotics, engineering, education, project management, and sales). Skilled welders are in high demand and can expect to earn competitive salaries. Welding does not require a college degree. While we identified the need for a welding program at DCTS, we simply have
Exciting Changes, continued

no room within our facility to create a welding program.

We are fortunate to be in the backyard of Harrisburg Area Community College. After visiting their state of the art welding facility at HACC’s Mid-town campus, I reached out to the community college to see if they had interest in partnering with DCTS to provide classroom space and use of their welding lab. While we had many details to work out, I am pleased to announce that beginning in August 2019 DCTS will be offering a welding program for secondary students (grades 9-12) at the HACC Mid-town Campus!

Although our students (seniors) have been traveling to HACC for academic coursework for several years, this will be the first time that our students will have the opportunity to travel to the Mid-town Campus for a CTE program. The instructor for welding will be employed by DCTS along with a para-educator.

Our region faces a significant need in coming years to replace retiring, skilled welders. The average salary for welders in Pennsylvania is $39,000.00.

Women only make up five percent of welders in the U.S. We are encouraging non-traditional participation in our new welding program. We are hoping to see applications from both young men and women. Dauphin County Technical School continues its commitment to helping students to Find Their Direction. Please contact our school to find out more about the welding program.

In closing, stay tuned to the Blast for more exciting events, activities, programs, and happenings at Dauphin County Technical School.

Governor Wolf’s Administration Visits DCTS

On September 6, Department of Labor & Industry Deputy Secretary Eileen Cipriani visited Dauphin County Technical School. The tour highlighted Governor Tom Wolf’s PAsmart initiative to prepare students with the education they need to obtain good, middle-class jobs and to demonstrate how the school works with local employers to ensure students have the skills they need to succeed in the job market.

“Governor Wolf’s PAsmart initiative is investing in both Pennsylvania’s workforce and its businesses, to improve access for students to education, training, and career readiness programs.”

The Deputy Secretary toured DCTS’s job training programs including the Electronics Technology, Medical Assisting, and Information Technology programs as well as the school’s Transportation Academy. She also spoke with employers who partner with the school to provide cooperative education program opportunities for senior students, including Hoffman Ford, Penn Dot, Country Meadows, Coco Medical Penn State and Phoenix Contact.

“In our mission to strengthen Pennsylvania’s workforce through initiatives such as PAsmart, DCTS and their employer partners are providing Pennsylvania students with the opportunity to learn both the technical and soft skills that businesses need,” Cipriani added. “The employers benefit from having a pipeline of skilled, trained talent that they need to grow and thrive.”
2018/2019 New Teachers

Melissa Casey, English Teacher

Melissa received her Bachelor’s Degree in English from Wofford College. She previously worked at Southbridge Public Schools, Cumberland Valley School District, and Trinity High School.

Deborah Funk, Learning Support Science Teacher

Deb received her Bachelor’s Degree in Psychology with a Minor in Biology from James Madison University and her Master’s Degree in School Administration from Johns Hopkins University and a second Master’s Degree in Reading from Morningside College. She previously worked at Antelope Valley Union High School District and Learning 4 Life Charter School.

Enjoy Local Living Magazine

The Culinary Arts Program is being featured in the Enjoy Local Living Magazine, Hershey/Harrisburg Area. The magazine is "a celebration of community." Each month will feature a recipe and a Culinary Arts senior student.

Chef Lou Sackett and Chef Claire Dacko were featured in the September Edition with a recipe for Pasta Caprese.

Alasia Ross is a senior in Culinary Arts and her home school is Harrisburg. She was featured in the October Edition with a recipe for Loaded Turkey Chili.

Bre’Ln Grant is a senior in Culinary Arts and her home school is Harrisburg. She is featured in the November Edition with a recipe for Bre’s Beef Stew.
ACEFAC Blue Ribbon

DCTS’s Culinary Arts Program has been awarded “exemplary” status by the American Culinary Federation Secondary Accreditation Board. DCTS is one of only two schools in the State of Pennsylvania to have been given this honor.

"Exemplary Programs symbolize the highest educational standards recognized by the American Culinary Federation Education Foundation Accrediting Commission (ACFEFAC). The award is presented to programs that have proven full compliance with all ACFEFAC accreditation requirements in the last visiting team report along with excellent management of the program."

Congratulations to Chef Dacko and Chef Sackett!

Curious about DCTS

Did You Know?

- You can attend DCTS and still go to college
- We offer AP Courses
- You can earn college credits while attending DCTS
- You can still participate in athletics while attending DCTS
- We have student activities and organizations

Christine Noll, Vocational Transition Counselor, and the student ambassadors conducted 8th grade presentations at the Home Schools on October 5, 9, 16, 25.

DCTS hosted 8th grade tours on Thursday, October 18 and Friday, October 19. Our student ambassadors spent the day taking our Member District students on a tour of the seven career and technical academies.

On Wednesday, November 9 from 5:30 p.m. – 8:00 p.m., DCTS will be hosting the Annual CTE Xpo for middle school students. The staff and students open the doors to provide students in grades 6th through 8th an opportunity to visit our state-of-the art programs, learn about the rigor of academics, and taste our students’ favorite lunch.
Annual Minority Law Day

The Minority Bar Committee of the Pennsylvania Bar Association conducted its Annual Minority Law Day in Central PA, on Thursday, November 1 at Widener University Commonwealth Law School. The purpose of the Minority Law Day is to introduce students, especially African-American, Asian, and Hispanic students, to the possibility of a career in the legal profession. The theme for this year’s program was Protests and Punishment: Student Speech After Parkland.

The day consisted of several activities designed to expose students to the law and the daily work of lawyers. These activities included a presentation of a legal problem, a mock oral argument, and a Q & A session with members of the legal profession. The day is structured to encourage interactive critical thinking activities.

Aaliyah Morales, Yulmy Garcia-Lorenzo, Alajah Green, Jalyn Williams, Naysa Lewis, Viviana Ostrowski, Emmanuel Martinez-Vega, Imani Payton, and Jemily Figueroa from the Criminal Justice/Police Science program participated in this workshop. Aaliyah Morales, Jalyn Williams, Naysa Lewis, and Jemily Figueroa were selected for outstanding student advocate awards in recognition of their performance. These students were judged by practicing lawyers from a variety of legal backgrounds.

DCTS Education Foundation

The DCTS Education Foundation, a nonprofit organization, provides supplemental funding and support for DCTS’s initiatives and innovations to benefit the students.

The goals of the Foundation are to support educational opportunities and/or professional development for DCTS Professional staff through mini-grants; support post-secondary opportunities to DCTS students through scholarships; support DCTS infrastructure improvements; and support educational opportunities for students who attend DCTS.

The DCTS Education Foundation is a participating charitable organization on Amazon Smile. The Foundation is looking for your support. Getting started is easy! Use Amazon Smile for your regular Amazon purchases and 0.5% of participating purchases will be donated to the DCTS Education Foundation. CAIU BOARD HIGHLIGHTS

The following actions were taken at the **October 25, 2018** meeting held at the Enola Office of the Capital Area Intermediate Unit.

**Reports/Updates**

- **The October Board Spotlight was on AgendaManager.** Dave Martin introduced Rocky Brent, Account Manager, and Joe Gallucci, Technology Applications Supervisor, who presented an overview of AgendaManager. AgendaManager was developed in-house and is a paperless, web-based meeting management solution to streamline communication and collaboration. Joe Gallucci spoke about the “flipping the meeting” concept and incorporating this concept into AgendaManager for more productive meetings. Rocky Brent provided a revenue summary and shared that this year there was an increase in revenue. He also spoke about the many new partnerships that have been established over this past year.

- **Alicia McDonald, Director of Student Services,** reported that Dr. John Thompson, Eric Bostick, and Terry Telep participated in PAIU Fall Day on the Hill on October 16. They met with legislators to share the important contributions IU’s are making in the communities across the Commonwealth. Over 100 people attended Hill Top’s Back to School Night. As part of an innovation grant and a parent-engagement grant, Hill Top Academy is now offering sessions to parents to help them communicate and engage more effectively during parent conferences and at other parent-school meetings. The first session was a great success. The CAIU will host 100 students across the 24 districts to take part in Aevidum, which means, “I’ve got your back.” Aevidum was created by students after the loss of a classmate to suicide. Hill Top’s Emotional Support high school class visited The Caring Place for a tour of the facility and a luncheon. The purpose of the visit was to allow students and teachers to learn firsthand about the organization.

- **Theresa Kinsinger, Director of Organizational Services,** reported that we are still down staff and are in need of thirteen paraprofessionals. Recent changes to Act 82 were passed, updating teacher’s certifications. We are hopeful that these changes will bring more special education teachers in. The changes will not go into effect until 2020.

- **Brian Griffith, Director of Educational Services,** reported on the 3rd Annual Tinker Expo held this week. The focus was on STEM activities and drones. Just a reminder that the PA Future Ready Index Dashboard will go live to the public in mid-November. The Dashboard will bring all data together and be made available for the community, public and school districts to review. The next step is to identify schools for school improvement.

- **Dave Martin, Director of Technology,** provided the Board Spotlight on AgendaManager.

- **Daren Moran, Business Manager,** reported that the business office is finishing the 2017-18 Audit. The Audit presentation will be held in November or December. Preparation for the 2019-20 budget will begin and Daren will schedule a meeting with The Board Finance Committee sometime in the near future.

- **Greg Milbrand, Assistant Executive Director,** reported that the CAIU submitted the ACT 44 grant. Grant funds are due to be released by December. Greg and Theresa held first round interviews this week for the Marketing/Communication position. Attended the Curriculum conference last week; kudos to Brian’s Curriculum team for a job well done. SPP Act 82 scores will be made public but should just be for school staff. Created a Safety Network group to meet and discuss safety issues across the region.

- **Andria Saia, Executive Director,** reported that several Board members have requested to visit Loysville. We would like to coordinate a trip for Board members to tour Loysville following our November Board meeting. If you are interested, please let Rennie know. There are many exciting things happening across the IU. This month’s Executive Director Spotlight was on employee engagement. Dr. Saia has been working with a committee of volunteers to plan events for staff. Our first event, Paint Pallet Afternoon, is coming up November 15, 2018, starting at 4 pm. We will be recycling wood pallets to create wood sign art. Board Members are cordially invited to participate. Please take a moment to read the Staff Recognitions.
• Rennie Gibson, Board Secretary, reminded the Board that the November Board meeting will be held on the 3rd Thursday, November 15, due to the holiday.
  ➢ Len Kapp, Supervisor of Operations and Transportation, provided a transportation update. The local work alike group for transportation has been meeting for over 30 years on a quarterly basis. At their recent meeting, the extreme driver shortage was discussed. A recent communication was released by the Auditor General on his findings of potential issues with transportation inefficiencies.

PROGRAM SPOTLIGHT

Research demonstrates a positive relationship between employee engagement, job satisfaction, productivity, and ultimately organizational outcomes. A big piece of engagement is building strong relationships with co-workers, specifically, making opportunities for employees to get to know one another, build relatedness and camaraderie. It is a critical investment in building a relationship-centric, positive culture. After a survey was sent to determine interest, a group of employees volunteered to form a Craft committee whose purpose is to plan events for any/all employees to engage in. Our first event, Paint Pallet Afternoon, is coming up November 15, 2018, starting at 4 pm. We will be recycling wood pallets to create wood sign art.

The Board is cordially invited to participate. A flyer is attached. Link to sign up: https://goo.gl/forms/UWQeViprHPwxOQej2

NEWS

ADMINISTRATION

- CAIU submitted an application for the Pennsylvania Commission on Crime and Delinquency grant, requesting funds to provide comprehensive support to school districts through social functioning, mental health services, and applicable professional development as well as to increase the safety and security functions for our students and staff members in our facilities.
- We have received forty-four applications for our new marketing and communication specialist position. Most of the applicants possess degrees in marketing and/or communications, as well as extensive experience and expertise in these disciplines.

STUDENT SERVICES

- Variety, a Children’s Charity - My Bike, My Voice, My Stroller Program
  Variety and its partners have raised more than $176,100 to provide the equipment that has been donated to children and families in our region. The CAIU has been pleased to help communicate and support these valuable programs that lead towards independence of children and families in our community.
    ○ Cumberland County - 17 bikes, 1 stroller, 1 iPad
    ○ Dauphin County - 54 bikes, 16 strollers, 15 iPads
    ○ Perry County - 2 bikes
- Program Director - Pupil Services - Keith Watson officially started on October 2, 2018 as the program supervisor for CAMhP, Diakon, United Methodist Home for Children and Social Workers in these locations, as well as, those at Hill Top Academy.
- The CAIU will host 100 students across the 24 districts to take part in Aeidum, which means, "I've got your back." Aeidum was created by students after the loss of a classmate to suicide.
• The Mechanicsburg School District administrative team will take part in a teambuilding training led by CAIU staff on October 24.

**Hill Top Academy** - On Thursday, Oct 11 Rita Harvey, CAIU social worker, took Ms. Owings’ emotional support high school class to The Caring Place for a tour of the facility and a luncheon. The purpose of the visit was to allow students and teachers to learn firsthand about the organization. The visit included a tour of the facility and a presentation by an 11th grade student who has been through the program.

• Laurie Scherer from Highmark’s Caring Place was at Hill Top on Friday, October 19 for a brief presentation to students and staff from ES High School as well as some CATES students and staff. Many of our students have experienced loss in their young lives. The purpose of her visit was to talk about grief and how we can respond to others who are experiencing loss/grief.

• Hill Top Academy held their 2nd annual Back-to-School Night on October 4. Over 100 Hill Top family members came out to meet the staff and visit classrooms. Thank you to Board President Jean Rice for coming again this year to visit!

• This year, at Hill Top Academy, we will be introducing a Workshop for Parents, based on the Harvard study: **Partnering with Parents to Ask the Right Questions: A Powerful Strategy for Strengthening School-Family Partnerships.** Our first Workshop for families was held at Hill Top Academy on October 16 with light refreshments and childcare provided. We firmly believe that as we empower our parents and build trusting relationships, student achievement is sure to be accelerated.

• October is Breast Cancer Awareness Month and Hill Top Academy Staff are wearing their awareness on their sleeves, t-shirt sleeves that is! A staff member at Hill Top Academy organized the fundraiser for the “Feel your Boobies” campaign for the Pennsylvania chapter of the organization with a t-shirt sale. The staff member’s mother is a Breast Cancer Survivor so October is an important month in their household. Over 50 staff supported the cause by ordering a pink “Hill Top Academy Cares” shirt and wearing them on Wednesday’s during the month to bring about more awareness and support for Breast Cancer. Hill Top Academy made a substantial donation of $700.00 to the foundation! Don’t forget to wear your pink in October!

• Dr. John Thompson, Eric Bostick, and Terry Telep participated in PAIU Fall Day on the Hill on October 16. They met with legislators to share the important contributions IU's are making in the communities across the Commonwealth. Eric and Terry specifically thanked them for supporting Preschool Early Intervention. Dr. Thompson discussed the resources and expertise that the program staff at Hill Top Academy provide for students across the 24 school districts. Additionally, information on how trauma and mental health impacts students’ ability and availability to learn and how schools are being tasked with addressing these issues when outside agencies fall short was discussed.

• **Preschool Parent Orientation Meetings** will take place with the 24 school districts in November and December. Families who have eligible children to transition into Kindergarten in the 2019-2020 school will participate in these meetings. Formal transition meetings will take place in January and February 2019. Last school year, 799 preschool children went through the transition process in preparation for the 2018-19 school year. Ten percent of these children remained in early intervention this school year, 3% of the children enrolled in a private school, 10% of these students exited EI prior to transitioning and it is
anticipated that 14% of the children who entered kindergarten this year will not be in need of special education services.

TECHNOLOGY SERVICES

- **Comprehensive Planning Team** - As PDE is looking to streamline the process of Comprehensive Planning for next year, we will respond to the Request for Quotation (RFQ), which encapsulates creating a “one-stop-shop” for schools to integrate data, access resources and toolkits and ultimately generate and submit required plans using an outcome-based planning process. By creating a new tool, the hope is that schools can focus more on creating plans that best support the needs of their schools/districts based on their current data.

- **Programs of Study Tracker (PoST)** - As a result of Joe Gallucci (CAIU Technology Supervisor) and Priscilla Rodriguez (DCTS Technology Director) presenting at the Pennsylvania Association of Career & Technical Administrators (PACTA) conference, three Vocational Technical schools have reached out to the CAIU Technology Services Team to learn more about PoST. Vocational technical schools are required to track Programs of Study (POS) for all students during their tenure at the school. The Carl D. Perkins Career and Technical Education Improvement Act of 2006 requires the development and implementation of career and technical programs of study. DCTS requested that the CAIU assist in the development of a web based application that will track all DCTS students and their corresponding POS throughout their term at DCTS. DCTS went live with our first release of PoST in the spring of 2018 and successfully started the 2018-2019 school year using it to track student’s POS.
