TRACK & FIELD CAMP FOR BOYS AND GIRLS YOUTH

The Trojan Track and Field Camp will provide boys and girls ages 8-14 with an opportunity to explore the different events in the world of track & field. Participants will learn proper running technique, sprinting and distance running, relay racing, hurdling, starting techniques, long, triple and high jumping, shot put, discus, softball throw and gain conditioning as well.

The camp will allow local Derry Township youths the opportunity to prepare for the up-coming Hershey Track & Field Meets, which start in June and conclude August. The Trojan Camp will end the week with a fun and competitive track and field meet between everyone who participated during the camp. Participants should come dressed to participate in physical activities (sneakers, shorts, t-shirts, etc.).

Evening Schedule
