- Community Correspondence surrounding masking was shared during the meeting for the group to read through with all identifying information removed.
- Surrounding district positive and quarantine numbers were compared to ours
- Jason Reifsnnyder presented the changes from the CDC over the winter break and our quarantining guidelines changes based on that. He reviewed the new symptom flowchart which is available on our website
- Dave Walker (DTSD Solicitor) spoke to the legality of contact tracing changes recommended by the CDC and alterations made by individual districts.
 - He stated we will have the best liability protection if we follow the CDC recommendations closely. This ensures we've done all that's possible to ensure students are safe at school
- Dr. Winslow spoke to our current transmission rates currently in our zip codes

- We are in a high transmission period for both positivity rate and incident rate over the last 7 days
- Discussed giving people an option and an appropriate timeline for families to choose the virtual option if we go mask optional for students who may be medically fragile.
- Discussion was had regarding a possible exit strategy around transmission rates and how to leverage our community rates to make decisions for DTSD students - discussion was lengthy and robust with favor from the team to moving in this direction.
- Dr. Winslow proposed another meeting on January 18th to continue to flesh out details that could then be taken to the school board for consideration at the January 24th meeting.
- The next meeting will be January 18th at 4:00 p.m.
