

Dear Parents,

We are asking for your support and assistance this year in supplying some of the items needed for your child and your child's classroom according to their grade level. We are dividing the list into two sections. The "Individual Student Supplies" are the items that your child will need. For these, we are asking you to purchase the items on the list and send them in with your child labeled with their full name in - a pencil box (grades K & 1) or - a zipper pouch (grades 2 through 5) so they can carry them as they travel from classroom to classroom. The "Classroom Community Supplies" are items that will be for community use within the classroom. Your child's teacher will collect these materials and use the supplies throughout the school year.

If this causes a financial strain on you, we ask that you focus upon the materials needed for your own child first and provide the classroom community items only as possible.
