

**Hershey High School
Guest Permission Form**

Guidelines

All Hershey High School students who wish to invite a non-Hershey High School student to a dance or other social activity are required to pre-register that individual. Only Hershey High School students in good standing may invite a non-Hershey guest. All students and guests are required to be familiar with the policies, guidelines, and rules for dances and other school activities and agree to abide by those expectations. The dance/activity policy requires that individuals must remain in the building during the activity and will not be readmitted once they have left. Also, school district policy prohibits the possession, use, or attendance while under the influence of drugs, alcohol, or other controlled substance, including tobacco. All students and guests are expected to enjoy the social activity without attempting to disrupt or otherwise intimidate other attendees.

Middle school or junior high school students and individuals who have reached the age of 21 by the date of the dance are not eligible to attend.
